On May 10 2008, my fully enclosed custom built snowmobile trailer with 2 snowmobiles, gear and survival equipment were stolen from a locked storage compound. Is it possible to please send the details and pictures around to all of the snowmobile clubs? The details are, White fiberglass enclosed 8 X 12 trailer, 6.5 tall inside, serial #2BG4040105U416688 --- 1994 Polaris Indy Lite, long track with SLP extenders, 1000 km, excellent condition, serial #2227661 --- 1995 Polaris Indy XLT SKS with rear carry rack and stainless steel slow cooker on exhaust, 2600 km, excellent condition, serial #2410809. If you require any additional information, please contact me. If you have any information please contact me or your local police department.

Thank you very much. Brian
